

TV LIFT COMPARISON

TV Lift	Short Description
Whisper Ride 1000	Our most advanced lift for TVs up to 75" diagonal. Accommodates flat and curved screen applications.
Whisper Ride 700	Our most versatile TV lift due to its compact size and height under 24". Perfect for TVs up to 50" diagonal. Can be used to install a TV at the foot of a bed or raise and lower cabinets and small kitchen appliances.
Whisper Ride 600	The most affordable, light duty TV lift in our collection. Handles TVs and small monitors up to 40" diagonal.
VersaLift	The perfect TV lift for smaller appliances and TVs up to 26" diagonal, while still having a robust weight capacity of 110 lbs.

TV Lift	TV Size (inches diagonal)	Weight Capacity Upright / Inverted (lbs)	Minimum Inside Cabinet Height (inches)	Amount of Travel (inches)	Price (free shipping)
Whisper Ride 1000	Up to 75	145 / 65	31 – 38*	39.4	\$685.75
Whisper Ride 700	Up to 50	145 / 65	24 – 25.5*	27.5	\$580.75
Whisper Ride 600	Up to 40	25 / 25	22.5	23.6	\$440.95
VersaLift	Up to 26	110 / 45	26.25	18	\$425

* Minimum cabinet height is dependent on size of TV
