

Drop Leaf Support

This 8" support pair is for use with drop leaf hinges.
 Confirm that the leaf is appropriately sized for the support prior to installation.
 Confirm that the screws are not too long for thickness of the table top or apron.

Distance "A"	Distance "B"
1 1/2"	2 1/4"
2"	1 15/16"
2 1/2"	1 7/16"

Distance "A" is from side of apron to hinge pin
 Distance "B" is from bottom of table top to center hole on support bracket.
